### 1. Identification of the substance and the company:

Product Name:	Dead Sea Powder Mud
Chemical Formula:	Not Applicable
Identified uses:	Personal Care Formulation.
Identification of the company:	Numeira Mixed Salts & Mud Company Al-Jahedh St 6, Ash Shumaysani, Amman-Jordan. Tel: +962 6 5826889 Fax: +962 6 5826901 Email: Sales@numeira.com
Phone for emergency only:	+ 962 79 5506424

### 2. Composition / Information on ingredients

Ingredients	100% Dead Sea Mud
Hazardous Components	None
Cas #	NA

### 3. Hazards Identification

People Hazards:	May cause slight eye irritation.
Environmental Hazards:	Not classified as flammable, explosive or dangerous.
Physical & Chemical Hazards:	No known hazards.

### 4. First Aid Measures

Type of Risk	Actions to do
Skin Contact:	If irritation occurs flush with water & seek medical attention of irritation persists.
Eye Contact:	Flush with plenty of water & seek medical attention if irritation persists.
Ingestion:	Unlikely to happen. Nontoxic.
Inhalation:	Not Applicable

#### 5. Fire Fighting Measures

Extinguishing Media:	Material will not burn.
Extinguishing Media not to be used:	No special media.
Special hazards arising from the substance or mixture:	No known special hazards.
Flash Point	Will Not Flash

#### 6. Accidental release measures

Personal Precautions:	Wear chemical goggles.
Environmental Precautions:	Avoid contamination of water sources.
Methods for Cleaning:	Wash area with hot water after scraping up the material.

#### 7. Handling & Storage

Handling:	Do not contaminate the material. In case of contamination dispose according to local / state regulations.
Storage:	Protect from extreme temperature and direct sunlight to maintain quality. Keep containers closed after usage.

#### 8. Exposure Control / Personal Protection

Workplace exposure limits:	Not Applicable.
Procedures:	-
Respiratory protection:	Not needed under normal conditions of use.
Hand protection:	Not needed.
Eyes protection:	Chemical goggles may be worn.
Body protection:	Not needed.

### 9. Physical and Chemical Properties

Appearance:	Light Brown Powder.
Odor:	Characteristics.
Ignition temperature:	Not Applicable.
Explosive properties:	Not Explosive.
Specific gravity:	NA.
pH	NA.
Solubility in water at 25 °C	Insoluble.

### 10. Stability & Reactivity

Stability:	Stable.
Conditions to avoid:	Oxidizing agents & extreme heat.
Hazardous decomposition products:	Not known.

### 11. Toxicological Information

No Information
----------------

### 12. Ecological Information

No Information

### 13. Disposal Consideration

Disposal of product:	According to local / State environmental regulations
Disposal of used packaging:	Recycling after proper cleaning
Recommended cleanser:	Hot Water

### 14. Transport Information

Not regulated.

### 15. Regulatory Information

No specific labelling is required according to US or EU countries.

### 16. Additional Information
